**Dispersion
Sale of
SHORTHORN CATTLE**

Monday, Sept. 30, 1946

Greenfield, Iowa

ANNOUNCEMENT

I wish to extend a cordial invitation to all lovers of good Shorthorn cattle to attend our dispersion sale of 45 lots on Monday, Sept. 30, 1946, at the Greenfield Sale Barn, Greenfield, Iowa. It is with great pleasure but deep regret that I am offering my herd for public sale. My reason for disposing of the herd at this time is due to the fact that one of my sons, just recently back from the Armed Forces, plans to finish college, while the other son is engaged in farming for himself; therefore, in addition to my age, I feel that I cannot continue operating my farm and maintain this herd under the existing circumstances.

I have been breeding Shorthorn cattle since 1910, and, while never keeping a very large herd, have always made efforts to cull my cow herd closely so as to maintain a small but select group. Many of the top breeding cows in this herd, having never previously been offered for sale, are being sold that would not under other circumstances. I am confident that these cattle will prove profitable to their new owners. All cattle are presented in good thrifty breeding condition. Many of the calves selling beside their dams are suitable prospects for 4-H club projects.

During my 36 years of breeding cattle, I have been careful in the selection of bulls. One of my outstanding sires was Supreme Augustus, who has 8 daughters selling in this sale. The last two sires used in this herd have been of the famous Goldfinder breeding, which has made many outstanding records. The last bull, Supreme Gold Nugget, by the Iowa Junior Champion, Gold Nugget, has sired many good calves, and 5 heifers by him are being offered in this sale. My present herd sire, Supreme Rival is by the famous \$7,000 bull, Supreme Goldfinder. I consider this an outstanding chance to secure a tried and proven sire from this great bull, and he will do well in any herd.

My cattle, modern type and pleasing blood lines, will prove both satisfactory and profitable for their new owners.

I will appreciate your presence on sale day.

Sincerely,

GEO. F. GRUSS.

MATT WHITE SAYS:

One of the outstanding offerings of Scotch Shorthorns that will be sold this fall will be that of Geo. F. Gruss & Sons at Greenfield, Iowa on September 30th. This herd has been in existence for over thirty years, and has been built up by the purchase of high class herd bulls, and the best of females. Few herds can show such a high class lot of brood matrons as will be found in this herd. This herd has been noted for the high quality, and few sales can show such a line of breeding matrons as will be found in this sale.

Their chief herd bull is Supreme Rival, one of the greatest sons of Supreme Goldfinder, that will be sold in any sale this fall. Here is a bull that is not only bred in the purple, but he is a grand individual. His color, his fleshing quality, and his general make-up are such that should recommend him to any breeder who is looking for a strictly high class bull to head his herd.

Twenty-three cows in this sale will sell with calves at foot or will calve shortly after the sale. Also some very classy heifers and some good young bulls will be offered. Here will be a good place to add some choice material that will help the reputation of your own herd.

M. T. WHITE,
With Wallace's Farmer and Homestead.

This bull is very smooth with a lot of natural thickness of flesh and is extremely heavy quartered. He has sired a lot of good calves, and is just in his prime. His disposition is excellent. Here is an opportunity for the most critical breeder to buy a tried sire, and there will be few opportunities to buy a good breeding son of Supreme Goldfinder.
